V/A . square matrix 002 * ltd

Again 4 singles (16 tracks!) by 4 bands to the price of 1 CD. This time powered by the new EBM revelation NEBULA-H, the dark industrial dance NEIKKA RPM, the goa-trance act IMPLANT and the intelligent mechanical noise of MNEMONIC. An eclectic collection of futuristic innovative electronics including collaborations with Dive & Aiboforcen and remixes by Neon Electronics, Negative Format, Razed In Black, Terrorfakt, etc.

MALE OR FEMALE . ...recalled moments (AM1009CD)
MALE OR FEMALE . and failed destruction" (AM1010EPCD)

FRONT 242 members (Daniel B. & Patrick Codenys) bring 21st century electronic music to a new level. They carry you on a mind-blowing excursion through a dense and varied landscape characterised by throbbing ambience, hypnotic aggressive tracks and captivating vocals punctuated by a focused collage of influences and sounds. Easy listeners need not apply.

NEBULA-H . h (AM1011CD) * ltd

Belgium, cradle of Electronic Body Music, offers you its hottest revelation. New millennium high-energy electronics with powerful vocals and surrealistic melodies. Forget about the 80's revival. Forget about future pop. It's time to enjoy and loose your mind on NEBULA-H's electronic misbehaviour. This is "New-H Body Music".

IMPLANT . planet euphoria (AM1012CD) * ltd

4th album by Belgium's hype industrial-goa-trance act IMPLANT who intensify their technological quest for new electronic soundscapes. Expect frontal dancefloor attacks with exotic atmospheres and virulent melodies. A forceful hypnotic trance enchanted by some heavily fused female guest vocals by Jennifer Parkin (EPSILON MINUS).
